

Subsidised PASMA Training

When: Monday 24 July, 7.30AM – 3.30PM

Where: UK Industries Training, 155 Glaisdale Drive, Nottingham, NG8 4GY
(free parking is available)

[Contemporary Visual Arts Network East Midlands](#) (CVAN EM) is the free-to-access Contemporary Visual Arts Network for the East Midlands, encompassing Derbyshire, Leicestershire, Lincolnshire, Northamptonshire, Nottinghamshire, and Rutland. We celebrate and support arts and culture in the region, fostering an inclusive long-term future for the sector, emphasising equity and access for all arts workers. CVAN EM is hosted by [New Art Exchange](#), Nottingham.

Project Overview

CVAN EM has been awarded funding from [Art Fund's Reimagine programme](#) to help deliver an Art Technician Training Programme for the East Midlands, in partnership with [ArtTechSpace](#) and supported by organisations across the region.

We will focus on both upskilling those already in the industry and training new technicians – creating a larger pool of skilled workers **across the region**. The programme will also see CVAN EM establish paid work-shadowing opportunities, launch an arts worker online directory, and tackle concurrent exhibition install scheduling in the East Midlands.

The project will be unique to the East Midlands and offer multiple means to access **funded, free, and subsidised** training opportunities. Activity will take place over summer 2023.

Opportunity Overview: PASMA – Tools for Users

Fee: The course fee is £132.00 [inclusive of VAT] per person. 75% of the course fee will be covered by CVAN EM as part of our Art Technician Training Programme. The remaining 25% is to be covered by the learner or their employer. Payment of £33.00 is to be made to CVAN EM in advance of attending.

Facilitators: This x1 day training course will be delivered by PASMA approved training member UK Industries Training.

Overview from UK Industries Training:

- Our [PASMA](#) training takes place at our indoor training centre in Nottingham with small class sizes and expert trainers.
- PASMA is the lead trade association for the mobile access tower industry, providing and overseeing the industry standard training scheme.

- The PASMA Training scheme operates to the highest practice standards and is the benchmark scheme for the industry, training thousands of operators every year through approved training centres such as ours in Nottingham. 'Towers for Users' is the industry standard course, and we also offer a range of specialist courses that have become Health and Safety Inspectors ideal source of objective proof that the holder is competent in the assembly, operation, inspection and dismantling of towers.

Who is this training for?

This training is for technicians already working in the arts and culture sector (incl. visual arts, museums and theatre). This is an opportunity for learners to add to their skills set and boost their CV by completing an industry standard and accredited course, making them competent in the safe assembly, operation, inspection and dismantling of towers.

Tools and PPE required by learners:

Please bring along PPE- Hard hat, Hi vis and Safety boots. No harness required.

Eligibility Criteria

- Learners must live in the [East Midlands](#), as defined by Arts Council England.
- Learners must be over 18 years of age.
